RE: MRP Addendum

Co-op Mining Company Bear Creek Canyon Mine

ACT/015/025

Emery County, Utah

Dear Mr. Smith:

This office has completed its review of the above mentioned MRP Addendum. None of the questions asked in my letter of May 14, 1981 were answered. I have personally checked with the Price Area Office and they have received complaints concerning the unauthorized use of water at the mine area.

Until more information is provided concerning the impoundments and a water right is established, this office cannot give any approval.

Sincerely,

Dee C. Hansen, State Engineer
